Manufacturer:
Wuxi Force Technology Co., Ltd
Address: Building H, Plainvim International Industrial Park, Wanquan Road, Wuxi, 214000 Jiangsu, China

We hereby declare that the product listed below:

Product designation: Garage door operator

Model types: OREO 700, OREO 1100, ADVANCED 1500

is an incomplete machine intended solely for incorporation into a gate system, and has been developed, designed, and manufactured in accordance with the following directives:

Electromagnetic Compatibility Directive 2014/30/EU
Radio Equipment Directive 2014/53/EU
Ecodesign Directive for sustainability 2009/125/EC

Additionally, the requirements of the Low Voltage Directive 2014/35/EU are met according to Annex I, Part 1.5.1 of the Machinery Directive 2006/42/EC.

Applied and harmonized standards:

Radio communication (Wi-Fi, Bluetooth): EN 300 328 V2.2.2
Radio communication (433 MHz SRD): EN 300 220-1 V3.1.1 / -2 V3.2.1
Electromagnetic compatibility: EN 301 489-1, ETSI EN 301 489-3, ETSI EN 301 489-17
Electrical safety: EN 60335-1, EN 60335-2-95
Machinery safety: EN 60204-1:2018, EN ISO 12100:2010
Ecodesign – energy consumption: EN 50564:2011, IEC 62301:2011
Electromagnetic field (EMF) exposure: EN 62479:2010, EN IEC 62311:2020

We further declare that specific technical documentation for this incomplete machine has been prepared in accordance with Annex VII, Part B of Directive 2006/42/EC. We also confirm that the following essential requirements and design principles have been observed: 1.1.1, 1.1.2, 1.1.3, 1.2.1, 1.2.6, 1.5.1, 1.5.2, 1.5.5, 1.5.6, 1.5.7, 1.5.8, 1.3.10, 1.5.11.

According to Directive 2006/42/EC, incomplete machinery is intended only for incorporation into, or assembly with, other machinery or incomplete machinery or equipment, to form a complete machine as defined by the Directive. Therefore, this product may only be put into operation once it has been verified that the overall machinery into which it is incorporated complies with the provisions of the above-mentioned Directive.

In case of any unauthorized modification to the machinery mentioned above, this declaration shall lose its validity.
